Community Events

Club Runs: Throughout the year, we organize spring and fall runs where members come together for scenic drives in their Corvettes. We also host mid-week runs for those who enjoy attending such events. These runs are a fantastic opportunity to bond with fellow club members and showcase our beautiful cars. We also meet monthly throughout the year for Meet and Greet events at various restaurants.

Annual Car Show: Don't miss our highly anticipated St. Croix Valley Corvette Association Show, held in the third week of August. Members are encouraged to sign up to work on the show, assisting with setup, collecting money, guiding cars to their designated parking spots, and selling raffle tickets.

Other Events: In addition to club activities, there are external events that our members can attend—listed in our monthly newsletter.

We also volunteer at the General Motors Car Club Association (GMCCA) show at the MN State Fair Grounds

Members

Membership Dues: Current annual fee of \$30 for new members (includes one name tag), and \$20 for renewing members, due before January 1 for the upcoming year. Fees are subject to change. As a club member, you will receive a membership card. If you would like an additional name badge, please request one for a cost of \$10.

Annual Member Appreciation: We hold an annual Member Appreciation and Celebration gathering to honor all club members who have participated during the year. It is a special occasion filled with great food, delightful desserts, prizes, and recognition for their participation.
